Literature and Distribution Services
308 North Dale Street
St. Paul, Minnesota 55103

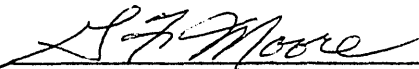

July 9, 1987

Dear Customer:

Attached is the third (3) catalog supplement since the 1987 catalog was published.

When the LDS catalog was distributed, we requested that you return the prepaid card to determine what type of binding you preferred. The results were that 85.9% preferred the 7-hole punched 1987 catalog, and 14.1% preferred the perfect bound 1986 catalog.

Thank you for your response.

G. F. Moore, Manager
Literature & Distribution Services

SECTION I

This section contains Hardware Manuals listed by equipment number.

LITERATURE CATALOG SUPPLEMENT

The legend for columns one through six is as follows:

- 1 - New or revised literature published since last edition
 - N - New Publication
 - R - Revision in packet form only
 - RM - Revision in manual form
 - RMP - Revised manual/packet available
 - RO - Revised publication obsoletes all previous editions
 - 2 - Publication number of literature, listed numerically
 - 3 - The latest revision level
 - 4 - Indicates number of rings required for a binder
 - 5 - A/D indicates manual eligible for Automatic Distribution(External Only)
 - 6 - Price changes for external customers only
- * For Control Data personnel only
 ** Price changes in column 6 are for external customers only
